Only sixteen tickets were sold here they were needed for active operations. If the present number of transports are insufficient, more will be procured. The men already calisted for the Philippines service will be sent at once, and the new they are organized and needed. While there has been some suggestion that the new regiments will be used as a reserve force, it may be stated positively that these regiments, as well as more, if they can be used, will be sent to re-enforce copy of the order to the various departcopy of the order to the various departments of the army, and they at once began preparations for supplying the new organizations. Within half an bour the ordannee bureau had sent orders to the different arsenals, directing that complete outfits of arms and ordnance supplies for each regiment be sent to the places where they are to be organized. The quartermaster's department gave orders for supplying tents, clothing and other equipments furnished by that department, while the commissary departmen ordered a sufficient supply of rations to be on hand to feed the troops as fast as
